

Dorset – Based Events (England)

Petroleum Systems, Producing Fields

What's here?

Classic outcrops showing all elements of a petroleum system.

Producing oil fields from reservoirs exposed at the coast.

Source rocks.

Shoreface reservoirs.

Fluvial systems.

Tectonics.

Course Content

Access

Mostly coastal sections – limited walking.

Logistics

Accommodations in Portland or Wareham

Fly in/out London or Southampton.

Duration

Full day 1 to 5 days

Flexible from 1 to 5 days depending on course and client requirements.

Learning Level

Skills ● ● ●

Knowledge ● ● ●

Awareness ● ● ●

Designed for:

The course is designed for Geoscientists, Petrophysicists, Reservoir Engineers and Well Engineers. Ideally structured for groups working in multi-discipline asset-based teams.

Course Tutors

Mark Bentley PhD
30+ years - geoscience
Mark develops and runs courses in the Reservoir, E&P Overview, Open Air and Master Class series. He has a career background at Shell, AGR, TRACS and Langdale Geoscience. Mark is co-author of 'Reservoir Model Design', SPE and EAGE distinguished lecturer, Training Director for both AGR and TRACS. He is an Associate Professor Heriot-Watt University

Mark Bramwell BSc, PhD
35+ years - geoscience
Mark runs courses in the Reservoir, Early Development, E&P Overview and Open Air Series. He has a career background at Shell, KUFPEC, AGR and TRACS. Mark is programme manager for the Early Development and the E&P Overview Series.

Jonathan Bellarby BSc (Hons), MEng
30+ years – wells technology
Jonathan develops and runs courses in the Wells and Early Development series. He has a career background at BP, ICE, AGR and TRACS. Jonathan is the author of 'Well Completion Design'.

Mark Cook BSc, MBA
40+ years - reservoir engineering, economics and risk analysis
Mark develops and runs courses in Early Development, Business & Risk and Reservoir Engineering series. He has a career background at Shell, TRACS (Director), and AGR (VP). Mark is Author of 'Petroleum Economics and Risk Analysis' and co-author of 'Hydrocarbon Exploration and Production', an SPE distinguished lecturer, and guest lecturer at Heriot-Watt University
